

## Peer Evaluation Form

<b>1. Presentation</b>	<b>Yes</b>	<b>No</b>
Is the website logical, coherent and clear to follow?	yes	
Are all buttons operational?	yes	
Are all videos operational?	yes	
Is the colour scheme appropriate?	yes	

Any comments about the presentation?
Presentation is good, the only suggestion I have is to have the buttons on the side rather than on The top.

<b>2. Content</b>	<b>Yes</b>	<b>No</b>
Is the information pertaining to the two Mitsubishi ranges satisfactory in their promotion?	yes	
Are there any spelling or grammatical errors?	yes	
Are the videos and images engaging?	yes	

Any comments about the content?
Suggesting a list of dealerships and contact details

What are the strength and short comings of this website?
The website is simple and easy to follow. It's successful at promoting the two Mitsubishi ranges.
I would have liked another page with links to Dealerships and perhaps owner comments on the performance of their vehicle (owners of the two specified ranges)
What would you do differently?
As above.
